

# powered lockers

Charge laptops, netbooks, iPads, tablets, mobile phones, any portable device.

Designed and Manufactured in Australia.

## Features

- Twin USB Fast (TUF) charger with intelligent chip delivers the optimum charge at the maximum rate, even if two different devices are plugged into the same outlet.
- TUF charges an iPad 4X faster than a standard PC USB port and 2X faster than most 'universal' chargers.
- TUF is approved for all Australian, European and USA safety standards.
- Each locker has a key locking base compartment which contains a charging outlet and a Residual Current Circuit Breaker with Overcurrent Protection (RCBO).
- Fully welded frame and reinforced doors for added security.
- Three point security locking (LU2/LUG2 variant).
- Master key available on key operated locks.
- Ventilation provided by door vents, perforations in shelves and rear inner panel.
- Large powder coat colour range including textured and metallic finishes.
- Lifetime Warranty – refer website.

Available with either 2 x USB

or 2 x USB and 1 General Power Outlet (GPO) in each compartment.
